WEB DEVELOPER
(FRONT - END)

/ ABOUT ME

I am a Junior Web Developer with a background in customer service and questionnaire personnel. Having always been eager to learn and create with technologies. I have recently completed Junior Web Developer Certificate, a 12 weeks extensive collaborative program from Generation Australia and Academy Xi, to grow and contribute my skills within the industry I am passionate about.

My skills consist of using tools such as HTML, CSS, JavaScript, jQuery, React. Besides, I am well acquainted with GitHub, NPM, Bootstrap and other libraries. I am looking for an opportunity to be a valuable member of an organisation while developing my skill and experience.
